Discussion Questions

- Do you ever wish that God would just give us rules to follow instead of being relationally led by His spirit? How do we grow in discerning God's will?
- Sexual temptation marks Sampson's adult life. Where are we tempted to act on impulse to choose what 'seems good to us' instead of God's best for us?
- The grace and faithfulness of God means our sin does not disqualify us from his purposes. Yet we are also called to lives of holiness that reveal God. How do we navigate this tension?
- How does the story of Samson lead you to a place of praise and greater appreciation for who God is and all he has done for us?
